EPIKLEAN™ EAR CLEANSER

Dechra

Formulated for dogs and cats

Cleansing, drying, general purpose

For general use ear cleaning and use as a drying agent for dogs and cats.

Contains: SD alcohol #40, propylene glycol, nonoxynol-9, glycerin, salicylic acid, fragrance

Directions for Use: SHAKE WELL. Apply to the ear canal and gently, but firmly, massage the base of the ear. Use a cotton ball to remove excess solution. Repeat as necessary or as directed by your veterinarian. Close cap tightly. May be used one to three times per week for routine use. Also use before each ear treatment in the case of otitis externa, or as directed by your veterinarian.

Caution: For topical use only. Do not use in ears with ruptured tympanic membranes (eardrums). Avoid contact with eyes. If skin irritation develops or increases, stop use and call your veterinarian. Do not use on severely irritated skin. Keep out of the reach of children and pets. Wash hands after use.

Store at controlled room temperature of 15 - 30° C (59 - 86° F).

Available through licensed veterinarians only.

Made in the USA.

Manufactured for: Dechra Veterinary Products, 7015 College Blvd., Overland Park, KS 66211
