Fort Dodge

CLEANSING SOLUTION

For general cleaning of ears of dogs and cats to aid in removal of debris.

FOR USE IN CLEANING EARS: Apply liberally into the ear canal. Gently massage the base of the ear. Carefully clean excess fluid from accessible portion of external ear with cotton. Repeat one to three times daily, if necessary, depending on condition of ear and amount of debris to be removed.

Store at controlled room temperature 15° to 30°C (59° to 86°F).

CAUTION: For external use only. Not for use in the eye. Do not apply if there is suspected damage to the ear drum. It is advised to use under the direction of a veterinarian.

Keep out of reach of children.
