ZYMOX® OTIC HYDROCORTISONE FREE

PKB

Enzymatic Solution

Three Point Enzyme System™

Aids in the treatment of acute and chronic otitis externa due to bacterial and yeast infections.

Contains Natural Enzymes Lysozyme, Lactoferrin, Lactoperoxidase with *HYDROCORTISONE FREE*

Directions: Apply liberally to dirty ear, filling ear canal. Gently massage and work into infected area. Wipe to remove excess. Treat once a day for 7 days, 14 days for chronic infections. Safe for extended use on persistent cases. Post treatment flush is recommended to remove any residual product and accumulated dead skin cells.

Important: Do not clean ears before or during treatment. Do not use in conjunction with other topical ear medications or cleaners. Do not allow water in or near ear during treatment. If condition persists or worsens, consult your veterinarian.

Warning: Do not use on punctured ear drums. Keep out of reach of children.

Ingredients: Glycerin, Deionized Water, Hydroxy Propyl Cellulose, Benzyl Alcohol, Potassium Iodide, Dextrose, Propylene Glycol, Glucose Oxidase, Lysozyme, Lactoperoxidase, Lactoferrin.
