HYLIDERM +PS MOUSSE

Sogeval

Hypoallergenic, Moisturizing Mousse

Sogeval Hyliderm Mousse +PS is a gentle, hypoallergenic mousse recommended for routine waterless cleansing of normal, dry or sensitive skin of dogs and cats. Contains moisturizers, proteins and essential fatty acids to support healthy skin and aid in the control of flaking and scaling.

Hyliderm +PS Mousse is similar to a waterless shampoo and is a convenient alternative to bathing, leaving the hair feeling clean, shiny and pleasantly scented - Cucumber Melon Scent.

Contains emollients for moisturizing and protein for conditioning. Natural Moisturizing Factors promote hydration of skin and coat, while essential fatty acids nourish skin and aid in the control of flaking and scaling.

Phytosphingosine is a pro-ceramide to restore the skin barrier and help in the long term management of skin conditions. Phytosphingosine-salicyloyl (PS) also helps fight irritations.

Directions:

Shake well before use. Brush the coat thoroughly. Apply on dry coat. Dispense one or two pumps in the hand and then apply on the pet. Massage into the hair coat in order for the product to reach the skin. Repeat as many times as necessary to cover the whole body. Avoid areas around the eyes and mouth. Do not rinse. Let air dry. Once dry, the animal may be brushed again to bring luster.

May be used as often as necessary. May be used in conjunction with topical flea products and therapeutics.

Dosage:

Under 11 lbs . . . 1 pump per 2 lbs
12-88 lbs . . . 1 pump per 4 lbs
Over 89 lbs . . . 1 pump per 6 lbs
Dosage can be doubled for long-haired dogs

Available in 6.8 oz. Cucumber melon scent.
