DERMAPET MALACETIC ULTRA CONDITIONER

DermaPet

For Dogs, Cats and Horses

MalAcetic Conditioner with Ketoconazole & Hydrocortisone

MalAcetic ULTRA, the Black Label, takes the popular Otic, Flush, Shampoo and Conditioner to the next level. The new MalAcetic ULTRA combines the ANTI-PRURITIC, anti-itch action of Hydrocortisone with the anti-fungal/yeast action of Ketoconazole, plus the antimicrobial effects of acetic and boric acids. The addition of Hydrocortisone adds effective anti-pruritic, anti-itch effects to the potent antimicrobial, anti-yeast action of broad spectrum Ketoconazole. MalAcetic ULTRA is the New and Improved MalAcetic HC.
