

Antler Dog Chews

Pet's Choice Pharmaceuticals

All natural, premium grade Premium Antler Dog Chews are perfect for dogs who could chew all day. Our Premium Antler Chews are naturally shed and individually inspected ensuring that your dog gets only the best! They're long-lasting and the variety of textures not only gives your dog great chewing satisfaction, but antlers also help clean the teeth.

Pet's Choice Pharmaceuticals Premium Antler Chews are the highest quality pharmaceutical grade. They're a rich source of naturally occurring essential minerals dogs need for good health, including glucosamine and chondroitin.

Premium Antler Chews are a natural source of the following essential minerals:

Important Notes:

- **Due to the nature of natural products, all sizes listed are approximate and actual size may vary.**
- As with all treats please supervise chewing
- Make sure the antler is the appropriate size for your dog

- Remove the antler from your dog if they are biting hard enough to break it

Premium Antler Chews quickly become a dog's favorite chew, but if your dog needs a little coaxing, we suggest the following:

- Rough up the antler with sandpaper and then rub with peanut butter
- Soak the antler in beef broth or bouillon over night
- Add a few drops of Worcestershire sauce or other flavoring your dog prefers

Available in: individual and multipacks.
