

Purina Veterinary Diets Meaty d'lites

Healthy Low Calorie Dog Treats

Low Calorie Canine Treats

Purina Veterinary Diets Meaty d'lites are wholesome everyday treats for dogs. Whether you want to help your dog lose weight, or help him keep excess weight off, Meaty d'lites let you make treat time happy and satisfying. Backed by extensive research at the Purina PetCare Center, these low calorie treats are a smart, responsible way to show your love. Meaty dlites have been formulated to achieve the following characteristics:

- Low calorie
- Excellent palatability
- Low fat
- Tender and Meaty

Feeding and Administration

These treats are a low-calorie snack and should not be fed as a main meal, or as a substitute for a complete and balanced dog food. Provide adequate fresh water in a clean container for your dog daily.
