

Vetericyn Teat Spray

Cleans - Treats - Heals

Vetericyn Teat Spray For Bovine Mastitis is a one-step topical spray that cleans wounds, treats infection, rashes, irritation and skin cracks on the udders and teats of cattle. This revolutionary antimicrobial wound treatment kills antibiotic-resistant strains of bacteria as well as fungi, viruses and spores. This steroid-free, antibiotic-free, no-rinse solution is non-toxic and speeds healing. Made with Microcyn Technology, Vetericyn Teat Spray For Cattle utilizes the same FDA-cleared formula that has been used to treat over one million humans worldwide without a single serious adverse effect. An oxychlorine compound similar to that produced by the animal's own immune system, Vetericyn will not harm healthy tissue. Being pH neutral, it should not sting when applied.

Vetericyn Teat Spray Aids in Controlling Spread of Bovine Mastitis

Indications: For use as aid in controlling bacteria that may cause bovine mastitis. Also can be used for management and acceleration of the healing process of external teat ends, wounds, cuts, abrasions, skin irritations, skin ulcers, post surgical incision sites, burns, rashes and wound wound odors. Promotes healing of cracked teats.

Vetericyn Teat Spray has been shown to eliminate 99.99% of bacteria, viruses, and fungi. Effectively eliminates bacteria such as E. coli, Staph, Strep, Moraxella bovis, Pasturella, Actinomyces, Pseudomonas, Haemophilus, Klebsiella, Enterobacter and Enterococcus.

Directions for use: Adjust spray nozzle and spray. Apply Vetericyn liberally to clean and promote healing of teat ends. Repeat at each milking or as needed. No rinsing is necessary. Skin may "pinken" after application due to increased blood flow and oxygen to the application site which will help speed healing.

Produces fine mist spray for better teat surface coverage.

Use Precautions: For external use only. Discontinue use if irritation develops and contact your veterinarian. For animal use only. Keep out of reach of children.

Storage: Store at room temperature away from direct sunlight and heat. Do not freeze.

Stability: See label for expiration date.

Disposal: No special disposal requirements. Vetericyn will not harm environment and is 100% biodegradable.

Ingredients: Oxidized Water, Sodium Hypochlorite (NaOCl), Hypochlorous Acid (HOCl), and Sodium Chloride (NaCl).

Packaging: 16 oz Trigger Spray
