CAT ODOR-OFF® CONCENTRATE

Thornell

CAT ODOR ELIMINATOR

Safe for Home and Pet

Not a mask. Not an enzyme.

Eliminates Odors

Fast, permanent, safe relief from odors caused by cat urine, tomcat spray, and feces in rugs, walls, floors, litter and more.

Clinic / Shelter / Groomer / Kennel / Home

Nontoxic - Nonirritating - Nonflammable - Noncarcinogenic - Biodegradable

Directions for Use: Remove cap from the small, graduated part of the bottle. Squeeze large part of bottle, with cap on, forcing **Cat Odor-Off®** into the measurement chamber.

- Dilute 1/2 oz. of **Cat Odor-Off®** Concentrate to 16 oz. of water.

Spray or pour on the source of the odor. Work in thoroughly if possible. Allow to dry. If odor persists after **Cat Odor-Off®** has dried, the source of the odor has not been reached. Continue to reapply as necessary. May be applied directly to the animal, on cages, fabrics, carpets and any place a problem odor exists. Very effective when applied to the surface of litter boxes.

Product Safety: All Thornell products are safe for use on any surface or directly on the animal. As with any pet care product, consult with your veterinarian and review and follow the label directions. Contains water, proprietary essential oil blend and preservatives.

Keep out of the reach of children.

For external use only.

Cautions: Spot test for color fastness before applying to any fabric. Do not spray directly into animal's eyes.
