Glucosamine Sulfate (Shellfish Source)	5000 mg
Chondroitin Sulfate (Bovine Source)	500 mg
Sodium Hyaluronate (HA)	20 mg
Manganese Sulfate	20 mg

Inactive Ingredients: Citric Acid, Distilled Water, Glycerin, Molasses, Sodium Benzoate, Sucrose, Xanthan Gum.

Cautions: Safe use in pregnant animals or animals intended for breeding has not been proven. Consult with your veterinarian before using this product in animals: with clotting disorders; being treated with anticoagulant medications; with diabetes or any metabolic disorder causing hyperglycemia; with a history of urinary tract

stones; with known allergies to shellfish. If lameness worsens, discontinue use and contact your veterinarian. Administer during or after the animal has eaten to reduce incidence of gastrointestinal upset. Federal law prohibits the off-label use of this product in ruminants.

For use in horses only.

Recommended to support healthy joints and connective tissue.

Directions for Use: Can be given during or after meal time. Give 10 cc (10 ml) daily per 1,100 lbs of body weight. Quantity can be doubled for first 7 days or as directed by your veterinarian.

Instrucciones: Puede administrar durante o después de una comida. Administre 10 cc (10 ml) al día por cada 1.100 libras (499 kg) de peso corporal o según lo que le indique su veterinario. Durante los primeros siete días, se puede duplicar la cantidad.

Warnings: For animal use only. Keep out of reach of children and animals. In case of accidental overdose, contact a health professional immediately. This product should not be given to animals intended for human consumption.

Protect from heat, light and moisture. Store at 15° - 30° C (59° - 86° F).
