DOUXO® CALM SHAMPOO

Sogeval

Soothing lathering solution containing hinokitiol and phytosphingosine

ALLERGIES

Lathering solution formulated with gentle hypoallergenic cleansing bases, phytosphingosine salicyloyl, hinokitiol, raspberry seed oil, allantoin and Lipidure® C.

Fragrance free - Paraben free

PROPERTIES: Phytosphingosine salicyloyl is a modified pro-ceramide with anti-inflammatory and anti-seborrheic properties. Hinokitiol is a natural anti-bacterial and anti-fungal agent. It helps control, the skin ecosystem in case of inflammation. Raspberry seed oil brings the essential fatty acids necessary to the restoration of the skin. It is also rich in tocopherols which are known for their antioxidant properties. Allantoin is a natural moisturizing and healing agent. Lipidure C is a copolymer of phosphatidylcholine. It forms a hydro-gel on the surface of the skin and hair, thus restoring moisture and providing a chemical and physical barrier.

The association of these actives in DOUXO® Calm Shampoo helps reduce skin inflammation, restore the skin barrier function and control the local flora.

DOUXO® Calm Shampoo contains no artificial fragrance or parabens.

USES: *Dogs and cats* - topical management of pruritus and inflammation.

DIRECTIONS FOR USE: External use only.

Wet the animal with warm water and apply DOUXO® Calm Shampoo extensively on the fur to create a rich lather. Massage the shampoo into the wet hair coat, lather freely. Allow to remain on the hair coat for 5 to 10 minutes before rinsing thoroughly with clean water. Repeat if needed.

The veterinarian's recommendations should be observed.

It is generally recommended to shampoo 2 to 3 times weekly, for the first 1 to 2 weeks. Then for effective control of the condition one should utilize DOUXO[®] Calm Micro-emulsion Spray.

PRECAUTIONS FOR USE: Do not swallow. Avoid contact with the eyes.

To facilitate the use of the product, bottles can be stored upside down.

Prime the pump by depressing several times. For further use, depress the pump slowly until you have dispensed the quantity you desire. One full pump is usually sufficient to shampoo a medium-sized dog (30 lbs to 50 lbs).

Available Through Licensed Veterinarians Only.
