## Perio Plus Dental Health Stix

### Dual Action Dental Support For Dogs

**Vetri-Science Perio-Plus Stix for Dogs** is a tasty, convenient, easy-to-use dental formula designed to support periodontal health. The outer crunchy layer of the Perio-Plus Stix promotes dental cleansing, plaque control and fresh breath. The inner chewy layer supports oral health, gum tissue integrity and refreshes the breath.

### Dual Action Dental Support

- Outer layer polishes and shines with pumice and provides support for odor and neutralizing.
- Inner layer contains coenzyme Q10, natural zeolites and probiotics for complete dental support.

Perio-Plus Stix has been designed to encourage an "in-between-the-paws" grip. This targeted and hassle free delivery system helps keep your pet's mouth healthy as part of a daily periodontal care program.
