RESICORT® LEAVE-ON LOTION

Virbac

FOR DOGS, CATS AND HORSES

HYDROCORTISONE 1% w/w

ANTI-PRURITIC

ANTI-INFLAMMATORY

RESICORT® Leave-On Lotion with Spherulites® is a unique, antipruritic, anti-inflammatory to be used in cases of corticosteroid-responsive dermatoses. **RESICORT** Leave-On Lotion allows for ease of application and prolonged contact time of the ingredients with the hair coat and skin. This product does not leave any oily or sticky residue on the hair coat.

SPHERULITES: an exclusive and patented encapsulation system developed by Virbac; provides a slow release of ingredients long after product application.

Chitosanide: a natural biopolymer that creates a protective film on the skin and hair. This reinforces the hydrating and restoring effects of the formulation, helping to protect the skin against damage from the environment.

USES

RESICORT Leave-On Lotion is an antipruritic and anti-inflammatory that is used on dogs, cats and horses of any age.

ACTIVE INGREDIENT

Hydrocortisone 1% w/w.

CONTAINS

Purified water, sorbitan stearate, sodium lauryl sulfate, stearyl alcohol, Spherulites, chitosanide, cetyl alcohol, cetrimonium chloride, sodium coco PG-dimonium chloride phosphate, dimethicone, DMDM hydantoin, carbomer, glycerin, triethanolamine, fragrance, methyl paraben, propyl paraben, FD&C yellow #5, FD&C red #40. May contain citric acid. Spherulites contain urea, chitosanide and glycerin in encapsulated forms.

DIRECTIONS FOR USE

Shake well before use. After shampooing or wetting the hair coat, apply a sufficient amount of lotion to cover the entire hair coat along the back of the animal. Massage **RESICORT** Leave-On Lotion well into the skin and hair coat. Apply more as needed. (Amount will vary according to the size of the animal and length of the hair coat.) May be used in localized areas or generally between shampoos. Wash hands after use.

Frequency of use: Initially 2 to 3 times per week for 2 weeks, then as directed by your veterinarian.

WARNING

Keep out of reach of children. Wash hands after use.

CAUTION

Federal law (USA) restricts this drug to be used by or on the order of a licensed veterinarian.

For animal use only. For topical use only. Avoid contact with eyes. In case of contact, flush eyes with water and seek medical attention if irritation persists.

STORAGE

Store at controlled room temperature 59°-86° F.

AVAILABLE THROUGH LICENSED VETERINARIANS ONLY
