## VETERICYN® BOVINE EYE WASH

Vetericyn

### **Sterile eye wash for irritated eyes**

Clean - Treat - Heal

### **Formula Based on FDA-Cleared Microcyn® Technology**

WITH REVOLUTIONARY MICROCYN® TECHNOLOGY

**One-step topical eye wash that cleans wounds, treats infection and kills bacteria including antibiotic-resistant MRSA. Use to treat irritated eyes and provide relief from burning, stinging, itching, pollutants and other foreign materials. This steroid-free, antibiotic-free, no-rinse solution is non-toxic and speeds healing. Vetericyn® Eye Wash is based on FDA-cleared Microcyn® Technology.** This revolutionary antimicrobial treatment kills antibiotic resistant strains of bacteria as well as fungi, viruses and spores. An oxychlorine compound similar to that produced by the animal's immune system, Vetericyn is non-toxic and won't harm healthy tissue. Having the same pH as normal tear fluid, it will not sting when applied.

**Indications:** For flushing, cleaning and treating wounds and infections to the eye. Cleans and treats eyes affected pollutants, contaminants and infections caused by bacteria, virus or fungus. Also for management, treatment regimen & acceleration of healing process of traumatic wounds, cuts, abrasions, post surgical incision sites, burns, scratches, rashes or chronic inflammation. In-solution, this product kills 99.9999% of bacteria, single-cell organisms and fungi making it ideal for prevention & control of infections & maintenance of sanitary conditions by killing bacteria such as E.coli, Salmonella, Staph (MRSA), Strep, Moraxella bovis, Pasteurella & Actinomyces.

**Directions for use:** Adjust nozzle. Wipe away excess matter that may have collected in the corner of the eyes. Flush eyes gently with Vetericyn. No rinsing necessary. Repeat 3-4 times per day until animal is healed.

**Use Precautions:** For external use only. Discontinue use if irritation develops and contact your veterinarian. For animal use only. Not for human use. Keep out of reach of children. Safe if licked by animal. Not for injection. Always consult with a Veterinarian for systemic conditions.

**Storage:** Store at room temperature away from direct sunlight and heat. **DO NOT FREEZE.** After use, seal or close dispenser.

**Stability:** See label for date of expiration.

**Disposal:** No special disposal requirements. Vetericyn will not harm environment and is 100% biodegradable.

**Ingredients:** Electrolyzed Water (H<sub>2</sub>O) (99.97%), Sodium Chloride (NaCl) (0.023%), Sodium Hypochlorite (NaOCl) (0.004%), & Hypochlorous Acid (HOCl) (0.003%)
