## VETERICYN® EAR RINSE (DOGS)

Innovacyn

Clean - Treat - Heal

### **Formula Based on FDA-Cleared Microcyn® Technology**

WITH REVOLUTIONARY MICROCYN® TECHNOLOGY

### **Sterile wash for wounds, infections and irritations**

**One-step topical ear rinse that cleans wounds, treats infection and kills bacteria including antibiotic-resistant MRSA. Use to treat ear infections.** This steroid-free, antibiotic-free, no-rinse solution is non-toxic and speeds healing. Vetericyn® Ear Rinse is based on FDA-cleared Microcyn® Technology. This revolutionary antimicrobial treatment kills antibiotic resistant strains of bacteria as well as fungi, viruses and spores. An oxychlorine compound similar to that produced by the animal's immune system, Vetericyn is non-toxic and won't harm healthy tissue. Being pH neutral, it will not sting when applied.

**Indications:** For flushing, cleaning and treating wounds and infections to the outer ear and ear canal. For cleaning and treating ears affected by infections caused from bacteria, virus, fungus, contaminants or pollutants. Also for management, treatment regimen & acceleration of healing process of traumatic wounds, cuts, abrasions, post surgical incision sites, burns, scratches, rashes or chronic inflammation. In-solution, this product kills 99.9999% of bacteria, single-cell organisms and fungi making it ideal for prevention & control of infections & maintenance of sanitary conditions by killing bacteria such as E.coli, Salmonella, Staph (MRSA), Strep, Moraxella bovis, Pasteurella & Actinomyces, Pseudomonas Aeruginosa.

**Directions for use:** Adjust nozzle. Apply Vetericyn liberally on or into the ear to clean, treat infections and promote healing. If dressing is required, apply Vetericyn liberally to dressing. Apply dressing to wound. Repeat 3-4 times per day until animal is healed. If dressing is used apply at each dressing change until wound is healed. No rinsing necessary. Skin may "pinken" after application due to increased blood flow to wound site which will help speed healing.

**Use Precautions:** Discontinue use if irritation develops and contact your veterinarian. For animal use only. Keep out of reach of children. Not for injection. Always consult with a Veterinarian for systemic conditions.

**Storage:** Store at room temperature away from direct sunlight and heat. **DO NOT FREEZE.** After use, seal or close dispenser.

**Stability:** See label for date of expiration.

**Disposal:** No special disposal requirements. Vetericyn will not harm environment and is 100% biodegradable.

**Ingredients:** Electrolyzed Water (H<sub>2</sub>O)(99.97%), Sodium Chloride (NaCl) (0.023%), Sodium Hypochlorite (NaOCl)(0.004%), & Hypochlorous Acid (HOCl) (0.003%)
