WELACTIN[®] CANINE SOFTGEL CAPS (OMEGA-3 FATTY ACIDS)

Nutramax Labs.

Omega-3 Fatty Acid Supplement for Dogs

Minty Taste to Help Minimize Fishy Breath

Formulation for Skin and Coat Health and Overall Wellness

Available from your veterinarian

Welactin *Canine* softgel caps are a rich source of omega-3 fatty acids derived from salmon and other cold water fish.

Omega-3 fatty acids have beneficial effects by helping in the following areas:

SKIN/COAT HEALTH

- *support healthy skin/coat*

HEART HEALTH

- *support normal heart rhythm*

KIDNEY HEALTH

- *support renal function*

BRAIN/VISION

- *support the nervous system*

- *trainability*

MUSCULOSKELETAL

- support joint function

IMMUNE SYSTEM HEALTH

- support immune function.

While using Welactin *Canine*, look for an improvement in your dog's general appearance, activity level, attitude, appetite, and alertness.

GUARANTEED ANALYSIS

Each softgel cap contains:

Total Omega-3 Fatty Acids†	270 mg*
Eicosapentaenoic Acid (EPA)†	165 mg*
Docosahexaenoic Acid (DHA)†	105 mg*

INGREDIENTS: Fish oil, gelatin, glycerin, water, natural peppermint oil, and tocopherols.

†Not recognized as an essential nutrient by the AAFCO Dog Food Nutrient Profiles.

*When calculated following AOCS Ce 1e-91 method.

Keep in a cool, dry place out of direct sunlight.

Keep lid tightly closed.

The fish oil in Welactin *Canine* softgel capsules has been processed to protect the omega-3 fatty acids from breaking down and has been packaged to maintain freshness.

Welactin[®] *Canine* softgel caps are formulated to deliver substantial levels of omega-3 fatty acids for healthy skin and coat and to help support the overall wellness of your dog.

ADMINISTRATION

Give one softgel capsule per 20 pounds of your dog's body weight daily or as directed by your veterinarian.

The softgel capsules may be administered by hand as a treat. If your dog refuses them at first, administer them with your dog's food as some dogs need to get used to the texture of the gelatin capsule. The softgel capsules can also be punctured and the oil applied directly onto the dog's food.

FOR ANIMAL USE ONLY.

KEEP OUT OF REACH OF CHILDREN.

Welactin *Canine* is also available in a liquid formulation in bottles of 8 fl. oz. and 16 fl. oz. (Economy size).
