ZYMOX® PLUS OTIC-HC

PKB

Enzymatic Solution

ADVANCED FORMULA

with BIOFILM REDUCING COMPLEX

HYDROCORTISONE (1.0%)

Aids in the Treatment of Chronic Otitis Externa due to Resistant Pseudomonas and similar Biofilm Forming Microbes

Directions: Shake well before use. Apply liberally to un-cleaned ear, filling ear canal. Gently massage and work into infected area. Wipe to remove excess. Use once a day for 5 days. Safe for extended use on persistent cases.

Important: Do not clean ears before or during treatment. Do not use in conjunction with other topical ear medications or cleaners. Do not allow water in or near ear during use, reapply if water gets in ear. If condition persists or worsens, discontinue use and consult your veterinarian.

Warning: Do not use on punctured ear drums. Do not use on pregnant or lactating females. Keep out of reach of children.

Active Ingredient: Hydrocortisone 1.0%

Other Ingredients: Propanediol, Glycerin, Benzyl Alcohol, Dextrose, Hydroxypropyl Cellulose, Purified Water, D-Mannose, Potassium Iodide **Natural Enzymes:** Lysozyme, Lactoferrin, Lactoperoxidase, Beta-Glucanase, Cellulase, Pectinex, Protease, Glucose Oxidase.
